EDUCATION

B.A., 1986 Economics and Political Science, Yale University
M.A., 1994 Agricultural and Applied Economics, University of Wisconsin-Madison
Ph.D., 1998 Agricultural and Applied Economics, University of Wisconsin-Madison
Dissertation Title: "Developing Sustainable Agricultural Production: The Diffusion of Water Conserving Technologies in Tunisia"
Committee: Jean-Paul Chavas (chair), Michael Carter, Bradford Barham

UNIVERSITY FACULTY APPOINTMENTS

July 2006-present Associate Professor, Department of Agricultural & Applied Economics
University of Wisconsin- Madison

July 2006-present Director, Program on Agricultural Technology Studies
University of Wisconsin- Madison

July 2008- July 2009 Visiting Researcher, Fulbright scholar
Institut d'Economie Rurale, Bamako, Mali

July 2002-2006 Assistant Professor, Department of Agricultural & Applied Economics
University of Wisconsin- Madison

July 2002-2006 Associate Director, Program on Agricultural Technology Studies
University of Wisconsin- Madison

Sept. 1998- June 2002 Assistant Professor, Department of Agricultural & Resource Economics
University of Connecticut

Sept. 1995- Dec. 1995 Instructor, International Studies
University of Wisconsin-Milwaukee

RESEARCH INTERESTS: Microeconomics of technology adoption, farm structure, agricultural biotechnology, intellectual property rights, land use, and economic development.

ACADEMIC APPOINTMENT: Research 50%, Extension 50%
