

ABOUT THE CONFERENCE

The main purpose of the Food Systems Research Group Conference is to present new empirical and theoretical studies on industrial organization topics related to the food sector. Examples of possible topics include the rapidly emerging contract economy, increasing levels of concentration, retail food marketing strategy, food and antitrust policy, globalization, and the role of biotechnology.

CALL FOR PAPERS

Papers will be accepted until Tuesday, February 15, 2005 (postmarked date). Papers will be reviewed by three reviewers. Notification of acceptance will be made by Tuesday, March 15, 2005. All individuals with selected papers will present their papers at the conference.

Send submissions to:
